Getting to know each other

Creating sinergies among different cultures

DigiEdu4all

DIGITAL EDUCATION FOR ALL

The beginning

Social situation: Immigrant population (16-19 y/o) who need help to be an active part of the community

Our students: 1st Grade of Social Integration

Our goal: Create a network of contacts and shared experiences that help both parties grow and learn together

Variables related to inclusion

COOPERATION

PROMOTING EMOTIONAL INVOLVEMENT OF STUDENTS

AUTONOMY

Objectives

Evaluation and assessment of social needs among people on “Casa Jana”

Create activities to improve their employability based in their skills and needs

Create a cooperative event to improve social skills and favour social inclusion

How do we get to the goals?

Cooperative thinking - Brainstorming!

Focus on creativity

Detecting needs —> Promoting solutions

Cooperation. Everyone is important!

Multiply!
